Umbrella

Everything your agency needs to know about People Umbrella – how the assignment rate becomes take-home pay, your PAYE liability since April 2026, your workers' rights on assignment and how we switch your workers.

ABOUT US

People Group Services is a family-owned business with a long history of providing compliant payroll services to recruitment agencies and their contractors.

Founded by CEO Terry Hillier in 2007 as RACS Group, to give supply teachers a compliant way to be paid, the business grew and became a shining light of compliant payroll within the industry, picking up numerous business awards along the way.

In 2017 the business rebranded with a fresh new look. People Group Services was born, offering a range of enhanced payroll solutions – and nearly 20 years on we remain family-owned, built around people.

OUR SOLUTIONS

People Group Services was created to fit the needs of an ever-changing contingent workforce. Typical payroll solutions have become outdated and no longer provide the experience that a tech savvy market expects. This is where PGS is different.

Broken down between Pay and Compliance, PGS provides a suite of services which create a seamless candidate experience, ensuring complete transparency and a full audit trail visible to recruiters, end-hirers and contractors.

Wrapped up in a simple and coherent package, PGS is the choice of like-minded forward thinkers.

We offer a solution that can fit agency requirements. Our partnership approach means that we will work with you to ensure our products will optimise your business efficiencies and maximise value.

Every route is accredited and compliant, with full supply-chain transparency. Not sure which fits? We'll compare them for you, free and with no obligation.

UMBRELLA

The industry's go-to solution for 20 years. Agency workers are engaged directly through People Umbrella under a contract for services, with PAYE payroll, clear payslips and all applicable statutory rights handled within the arrangement.

Four clear payroll routes – Umbrella, PEO Joint Employment, PEO Sole Engagement and CIS.

GUIDE TO UMBRELLA

What is People Umbrella?

The industry's go-to solution for the last 20 years – for agencies and for the contractors they place. In that time we've processed several million umbrella payslips for thousands of contractors.

Engaged. Supported. Paid. A single payroll route for agency workers, with engagement costs and payroll administration handled within the umbrella arrangement.

Agency workers are engaged directly through **People Umbrella Limited under a contract for services**. They are workers, not employees – of People Umbrella or of your agency – and each assignment is a separate contract that ends when the assignment ends. PAYE tax and National Insurance are deducted automatically, and all applicable statutory obligations are handled as part of the arrangement.

How does it work?

STEP 1

The worker sends their timesheet to your agency, which charges the client. Your agency then pays People Umbrella the agreed assignment rate multiplied by the time worked.

STEP 2

People Umbrella deducts the employer items – our margin, employer's National Insurance, employer's pension, the Growth and Skills Levy[1] and holiday pay provision – to work out the worker's gross pay. Gross pay never falls below the National Living Wage / NMW for the worker's age.

STEP 3

PAYE tax, worker National Insurance and any worker pension contribution are deducted. We run payroll daily, with pay guaranteed in the worker's account before 9am the following day by Faster Payments.

Every worker receives their contract for services, an Assignment Schedule, a weekly personal illustration and an itemised payslip, and your Key Information Document (KID) explains the assignment rate, gross pay and applicable deductions before terms are agreed.

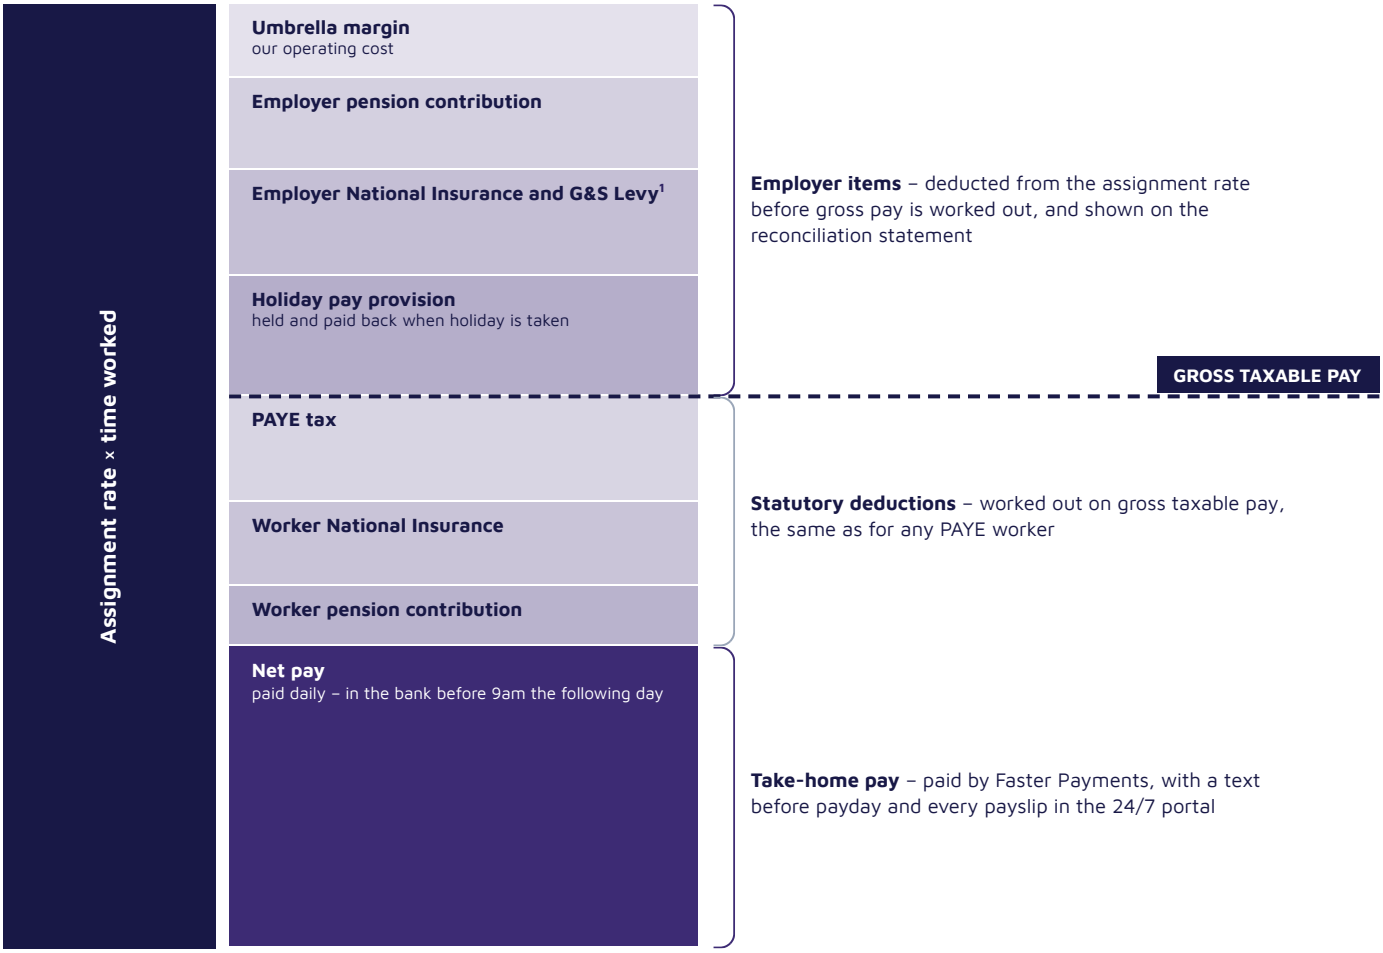

[1] Growth and Skills Levy (G&S Levy) – from August 2026 the government's new name for the Apprenticeship Levy. Payslips, Key Information Documents and contracts issued before the change may still call it the Apprenticeship Levy or App Levy.

SIMPLE CLEAR COMPLIANT

> *"So impressed with PGS. Amazingly responsive and everything is dealt with efficiently – not something you can say about every company."*
>
> ***Company Director, Spencer Ogden***

How the assignment rate becomes take-home pay

Your agency pays People Umbrella the assignment rate. The reconciliation statement then shows how gross pay is worked out from it – workers should normally see each of these items:

Holiday pay: workers are entitled to paid holiday. Holiday pay is deducted from the assignment rate and paid back when the worker takes holiday and claims paid leave (or rolled up where the Assignment Schedule says so).

[1] Growth and Skills Levy (G&S Levy) – from August 2026 the government's new name for the Apprenticeship Levy. Payslips, Key Information Documents and contracts issued before the change may still call it the Apprenticeship Levy or App Levy.

Our sample umbrella payslip – the assignment reconciliation every worker receives.

1. **Net total invoiced**
   The assignment rate multiplied by the time worked – what your agency pays People Umbrella.
2. **Employer items**
   Our margin, employer pension, employment costs (G&S Levy[1] and employer NI) and holiday accrued are deducted first.
3. **Gross taxable pay**
   The worker's gross pay after the employer items.
4. **Statutory deductions**
   PAYE tax, National Insurance and any student or postgraduate loan – just like any PAYE payslip.
5. **Total pay**
   Take-home pay after any worker pension contribution.
6. **Paid to bank**
   Paid by Faster Payments – before 9am the day after payroll runs.

Every payslip is available in the worker's 24/7 portal, with a text notification in advance of pay. Workers have a right to a payslip that shows their pay, and the reconciliation statement shows how gross pay is worked out from the assignment rate.

[1] Growth and Skills Levy (G&S Levy) – from August 2026 the government's new name for the Apprenticeship Levy. Payslips, Key Information Documents and contracts issued before the change may still call it the Apprenticeship Levy or App Levy.

PAYE LIABILITY FOR AGENCIES

Since 6 April 2026, recruitment agencies – or the client, where there is no agency – are jointly liable for the PAYE and National Insurance due on umbrella workers' pay. If an umbrella company in your supply chain does not pay HMRC, HMRC can come to you.

That makes the umbrella you choose a compliance decision, not just a payroll one. People Umbrella is built to give you the evidence you need:

Real-time checking against HMRC
Workers' PAYE is checked against HMRC in real time, with live RTI per-worker records you can rely on.

PAYE & VAT accounts available to you
Our PAYE and VAT accounts are available to agencies, so you can see that the tax on your workers' pay has been paid.

Independently audited
People Group Services is a Professional Passport audited member for Umbrella, an APSCo Trusted Partner and a TEAM Service Provider.

Check every payslip and illustration
Make sure every worker receives a KID before terms are agreed, and check payslips and illustrations against the assignment rate you pay. Our reconciliation statements make that simple.

Coming next: umbrella regulation
From December 2027 umbrella companies are expected to be brought into employment agency regulation, with the Fair Work Agency as regulator. People Umbrella already works to the standards our accreditations require.

WHO DOES WHAT

Who does what when your workers are engaged through People Umbrella. The worker is not an employee of People Umbrella or of your agency – each assignment is a separate contract for services.

UMBRELLA OR PEO?

All three routes use PAYE, give workers access to My Wallet and our benefits package, and are accredited. The key difference is the rate basis – who pays the employer costs, and what the worker sees as their rate.

	Umbrella	PEO Sole	PEO Joint
Who engages the worker	People Umbrella Limited	People PAYE Limited	People PAYE and your agency jointly
Contract	Contract for services	Contract for services	Contract of employment
Headline rate	Assignment rate – includes employer items and holiday provision	Worker's own gross rate	Worker's true gross rate
Employer costs and margin	Deducted from the assignment rate	Charged to the agency on top	Charged to the joint employers on top
Payslip	Reconciliation showing employer items, then PAYE	Simple PAYE payslip	Simple PAYE payslip
VAT	VAT on the full invoice	VAT on the full invoice	Only 1% – 4% of the invoice

Umbrella suits…

- a single, all-inclusive assignment rate
- workers who are familiar with umbrella payroll
- agencies who want engagement costs handled inside the rate

Looking for outsourced payroll?

Please consider our People PEO options: the worker's own rate is the headline rate and the payslip is simpler. Our **Guide to PEO Sole Engagement** and **Guide to PEO Joint Employment** explain both.

YOUR WORKERS' RIGHTS ON ASSIGNMENT

Workers engaged through People Umbrella (People Umbrella Limited) are workers, not employees. Each assignment is a separate contract for services that ends when the assignment ends, and these rights apply while they are on it. Clause numbers refer to the People Umbrella contract.

Written terms (clauses 3–4)
A contract for services and an Assignment Schedule before each assignment. The agency must give a Key Information Document (KID) before agreeing terms.

Minimum pay (clause 8)
At least the National Living Wage – £12.71 an hour at 21+, £13.21 from 1 April 2027 – paid for verified work even if the agency or client has not paid us.

Payslips and illustrations (clause 9)
An itemised payslip and a weekly personal illustration showing how gross pay is worked out from the assignment rate.

Paid holiday (clause 11)
5.6 weeks a year (max 28 days), built up only while on assignment – 12.07% of hours worked if hours are irregular. Holiday year: 1 September – 31 August.

Statutory Sick Pay (clause 12)
Paid where the worker qualifies from the first day of sickness: the lower of £123.25 a week or 80% of average weekly earnings. It is pay, not sick leave.

Statutory family pay (clause 13)
Maternity, paternity, adoption, shared parental, bereavement and neonatal care pay where the worker qualifies – £194.32 a week. There is no statutory leave.

Workplace pension (clause 16)
Auto-enrolment into NEST: at least 3% from us and 5% from the worker on qualifying earnings (£6,240–£50,270 a year). Workers can opt in early via the portal.

Working time (clause 15)
A 48-hour average week unless the worker opts out in writing, a 20-minute break on days over six hours and 11 hours' rest between shifts.

Agency worker equal treatment (clause 14)
Day one: the hirer's shared facilities and job vacancies. After 12 weeks in the same role with the same hirer: the same basic pay, hours and holiday as a direct recruit.

Protection at work (clauses 17–19)
Protection from discrimination and harassment – including by clients and customers from 30 October 2026 – and from detriment for whistleblowing or asserting rights.

Rates are for the 2026/27 tax year unless stated. Workers receive our full **Your rights on assignment** guide; if the law gives more than the contract or this guide, the law applies (clause 1.6).

PAY WITHOUT LEAVE

Employment rights that belong only to employees are not automatically given to workers on a contract for services. Where they qualify they receive statutory pay – but not statutory leave.

Situation	What the worker is paid	The assignment	Holiday and pension
Working on assignment	Paid from the umbrella rate – the agency's inclusive rate, less our margin and employer costs, gives gross pay. Gross earnings must never fall below the National Living Wage or National Minimum Wage for the worker's age.	Runs to its end date or until either side gives notice (clause 27)	Holiday builds up; pension contributions on qualifying earnings
Sickness	Statutory Sick Pay from the first day where the worker qualifies, for up to 28 weeks	No sick leave: the assignment ends when the absence starts; a new assignment may be offered when fit	No holiday builds up once the assignment has ended
Pregnancy and maternity	Statutory Maternity Pay for up to 39 weeks where the worker qualifies (90% of earnings for the first six weeks)	No maternity leave: no right to return to the assignment	Pension only as the law requires on statutory pay
Paternity, adoption, shared parental	Statutory Paternity, Adoption or Shared Parental Pay where the worker qualifies	No paternity, adoption or shared parental leave	As above
Bereavement and neonatal care	Parental Bereavement Pay or Neonatal Care Pay where the worker qualifies	No statutory leave	As above
Holiday	Holiday pay for what has built up (or rolled-up holiday pay if the Schedule says so)	The assignment is not held open while away	Untaken holiday is paid when an assignment ends (clause 11.7)
Between assignments	Nothing unless the worker works; neither side has to offer or accept work	Framework terms continue between assignments (clause 2.2)	Nothing builds up

Employee-only rights that do not automatically apply

- Unfair dismissal protection
- Statutory redundancy pay
- Statutory minimum notice
- Maternity, paternity, adoption and shared parental leave
- Parental bereavement and neonatal care leave
- Unpaid parental leave and carer's leave
- Time off for dependants
- Flexible working requests
- Bereavement leave (new from April 2027)
- Protection from fire and rehire (from March 2027)

Status depends on how someone actually works, not only on what the contract says (clause 2.1): if a tribunal decided a worker was an employee, these rights would apply. Statutory pay pays for the absence – it is not leave or a right to return.

WHAT CHANGED IN 2026

The Employment Rights Act 2025 became law on 18 December 2025. Some changes apply to workers on a contract for services; others apply only to employees. The Autumn Budget on 28 October 2026 confirmed the April 2027 minimum wage rates.

Now in force

Date	Change	What it means
1 Apr 2026	**Minimum wage**	£12.71 an hour at 21 and over, £10.85 at 18–20 and £8.00 for under-18s and apprentices.
6 Apr 2026	**Statutory Sick Pay reform**	SSP from the first day, no Lower Earnings Limit: the lower of £123.25 a week or 80% of earnings. Still pay without sick leave.
6 Apr 2026	**Umbrella PAYE liability**	Agencies – or clients where there is no agency – are jointly liable for PAYE and NI on umbrella workers' pay.
6 Apr 2026	**Holiday records**	Six years of holiday and holiday pay records must be kept, including rolled-up holiday pay.
7 Apr 2026	**Fair Work Agency**	Now handles complaints about recruitment agencies and enforces the minimum wage.
1 Oct 2026	**Tribunal time limits**	Six months (less one day) for most claims about events on or after 1 October 2026.
30 Oct 2026	**Harassment duties**	All reasonable steps to prevent sexual harassment, including by clients, customers and the public at a client site.

Coming next

When	Area	Expected change
Apr 2027	**Minimum wage and statutory pay**	National Living Wage rises to £13.21; new SSP and statutory family pay rates apply.
Apr 2027	**Fair Work Agency**	Starts enforcing holiday pay – including for agency and umbrella workers.
Date TBC	**Zero and low hours – agency workers**	Hirers to offer guaranteed hours to qualifying agency workers, with reasonable notice of shifts and pay for short-notice cancellations.
Dec 2027	**Umbrella company regulation**	Umbrella companies brought into employment agency regulation, with the Fair Work Agency as regulator.
Apr 2029	**Pension salary sacrifice**	National Insurance relief limited to the first £2,000 a year sacrificed.

Dates come from the government's Employment Rights Act timeline and the Autumn Budget 2026; some still depend on regulations and consultation. Figures as at 31 October 2026.
